OFFICE OF PETITIONS

In re Application of :
Mariner, Heil, Longworth, Lennartz, : DECISION ACCORDING STATUS
Sane, Macey, Leist, and Devan : UNDER 37 CFR 1.47(a)
Application No. 10/759,582 :
Filed: 16 January, 2004 :
Atty Docket No. US 131067-2 60QZ

This is in response to the petition filed under 37 CFR 1.47(a)¹
on 14 May, 2004.

The petition is GRANTED.

Petitioners have shown that the non-signing inventor could not be located despite diligent efforts. Specifically, petitioners have established that a letter sent to the last known address of the non-signing inventor was returned as undeliverable. Furthermore, petitioners have shown that despite diligent efforts, the non-signing inventor could not be located.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the Declaration. Notice of the filing of this application will also be published in the Official Gazette. The petition fee of \$130.00 will be charged to counsel's deposit account, No. 50-2339, as authorized in the present petition.

¹A petition under 37 CFR 1.47(b) is inappropriate in this instance since all but one of the inventors has signed the declaration. A petition under 37 CFR 1.47(b) is only appropriate where none of the inventors will sign. Accordingly, the petition will be treated as a petition under 37 CFR 1.47(a).

After this decision is mailed, the application will be forwarded to Technology Center 1700 for examination in due course.

Telephone inquiries related to this decision should be directed to the undersigned at 703-308-6918.
